Basic Information: We will choose your tree for you. Trees are selected by us for you starting at the front of the orchard. You are not required to do any work on your tree(s). The money you pay for your tree can be applied toward fall open harvest. Volunteer hours are cumulative into the next year. You receive volunteer credit time for any work you do in the orchard whether it is on your tree or other trees. You cannot change trees once a tree has been assigned to you. Second party adoptions are prohibited. Make check to "Community Apple Orchard" and send to "Apple Orchard; PO Box 675; Winona Lake, IN 46590"

You are responsible for the safety of yourself and others in your group in the orchard. There is some poison ivy in the orchard, especially toward the back.
